Mr. Lang? a.m. I am Marcia Busching, Chairman of the Citizens MR. LANG: Thank you, Madame Chair and Clean Elections Commission. 8 8 Commissioners. Good morning. You have before you my 9 I want to announce that the Commission may vote Executive Director report. I'm not going to reread it. to go into executive session, which will not be open to I'll just point out the highlights. I enjoyed a trip to 11 the public for any item listed on the agenda in order to Santa Fe two weeks ago to testify in regard to the obtain legal advice. All matters on the agenda may be 12 Arizona experience for Clean Elections for a study discussed, considered and are subject to action by the committee, a Governor's Study Committee there. And it's 14 Commission. 14 quite interesting and lots of challenging questions and 15 The first item on the agenda is the call to 15 good ideas. So that was worthwhile. 16 order, which I've already done. 16 You see things are going fine on the accounting 17 The second item is the approval of the May 17 and audit issues, along with the state candidate 25th, 2006 Commission meeting minutes. And I note for 18 statement pamphlets, those are at the printer now. the record that Commissioner Kunasek and I are present 19 Participation. The interesting thing there is in person and the other Commissioners are all present by 20 because of the petition challenges, a couple races are 21 telephone. So we have everyone in attendance. 21 uncontested and so we have had a few candidates pull out 22 As to the minutes, are -- are there any 22 of participating status because they're uncontested. 23 additions or corrections? If not, the Chair will 23 But, as you can see, we have over 65 percent 24 entertain a motion. participation which would be our highest participation 25 COMMISSIONER KUNASEK: I will move for the rate yet if that's how it ends up. Our candidate

- statement pamphlet, you see a 186 candidates of the
- 2 approximately 214 candidates sent in statements and
- 3 those are in production as I said.

The debates are going well. Staff has been

- attending. They started on Tuesday and had a couple
- 6 last night as well on Wednesday and staff will be
- attending all of them. And the reports back are they
- 8 were interesting, fun, and the attendance is improving.
- 9 I will be attending some next week as well. We will --
- 0 we all have our assignments, Mike is working hard to
- 1 make sure we all attend the debates.
- 12 Unless you have questions, that concludes my
- 13 report.
- 14 COMMISSIONER PARKER: How does somebody
- 15 un-participate?
- 16 MR. LANG: Madame Chair, Commissioner Parker,
- 17 our rules permit participating candidates to withdraw
- 18 from participating status as long as they comply with
- 19 the various requirements and a couple of candidates have
- 20 done so.

17

- 21 COMMISSIONER PARKER: Okay.
- 22 COMMISSIONER JOLLEY: Commissioner Busching?
- 23 CHAIRPERSON BUSCHING: Commissioner Jolley.
- 24 COMMISSIONER JOLLEY: Yes, I have a question
- 25 for Todd. This is more under the Information segment

- Page 8
- 1 primary money during that time.
- 2 COMMISSIONER JOLLEY: Okay. Thank you.
- 3 CHAIRPERSON BUSCHING: Or turn it back in.
  - MR. LANG: Or even better, turn it back in.
- 5 COMMISSIONER JOLLEY: Okay. Thank you.
  - COMMISSIONER PARKER: And Todd -- this is
- 7 Commissioner Parker -- have we heard anything from
- 8 Miller Allen regarding -- I mean, not Miller Allen, but
- 9 Fester and Chapman regarding the audit?
- 10 MR. LANG: Yeah. Actually, I meant to mention
- 11 that.

6

- 12 Madame Chair, in the Napolitano enforcement
- 13 matter they are finishing up their preliminary draft and
- 4 that will be on the agenda for the next Commission
- 15 meeting. Which is currently scheduled for two weeks
- $1\,6\,\,$  from today for your approval of the preliminary draft
- 17 and then there will be a final draft after that.
- 18 CHAIRPERSON BUSCHING: Have they been assigned
- 19 any other audits at this point or is that the only one?
- 20 MR. LANG: Madame Chair, as far as I know,
- 21 that's the only one.
- 22 CHAIRPERSON BUSCHING: And I saw heads nodding
- 23 that, yes, in fact, that's the only one.
- 24 Any other questions for Mr. Lang?
- Okay. Now we'll go to Agenda Item IV,

# Page 7

- that you sent out. It says, "List of all candidate
- committees for 2006." And this is for the primary
- 3 election. And I'm going to use the example of page 12
- 4 of 12 and page 11 of 12. And in there we have District
- 5 28 which is Bill Philips, he's a Republican, and then we

I noticed that the funds have been disbursed.

- 6 also have District 26, Lena Saradnik, a Democrat.
- 8 And since they are in basically an uncontested primary,
- 9 because of party affiliation, will they be able to carry
- 10 over part of the disbursed funds to the general election
- $11 \,\,$  or do they have to use those funds as they apply for the
- 12 general election funds?
- 13 MR. LANG: Madame Chair, Commissioner Jolley,
- 14 the answer is, no, they cannot carry those over. They
- have to spend primary funds in the primary. That's
- 16 required by statute.
  - COMMISSIONER JOLLEY: Okay. So, they don't
- 18 have that choice then? They can't say: Well, I really
- 19 don't need the funds as much as I will need them in the
- 20 general election?
- MR. LANG: The one provision that allows to
- 22 address part of that concern is the one-party dominant
- districts of course. You can get more money in the
- 24 primary. But other than that, no. If you have an
- 25 uncontested primary, you still have to spend your

- Page 9
- consideration and decision whether there is reason to
- 2 believe a violation occurred in MUR 06-0002, complaint
- 3 against Len Munsil. Mr. Lang?
- 4 MR. LANG: Thank you, Madame Chair,
- 5 Commissioners. This is a complaint filed by Jeffrey Fox
- 6 on June 21 against the Len Munsil Campaign in regards to
- 7 an ad that came -- that appeared in a gun catalog sent
- 8 out to potential customers by a company known as J&G
- 9 Sales II, Inc.
- You have in your packet -- this is Agenda Item
- 11 IV. You have in your packet the initial complaint along
- 12 with the exhibits, and this includes the original letter
- 13 written by J&G to the Secretary of State's office. You
- written by J&G to the Secretary of State's office. Tou
- 14 also have the June 28th Len Munsil Campaign response
  15 which was written by a law firm, I think Mueller &
- 16 Drury, and that's dated June 28th. After that you have
- 17 your July 11th notarized statement by Munsil affirming
- 18 that response, so we have a sworn notarization affirming
- 19 that response. And we have the July 12th notarization
- 20 by the owner of J&G which is right after the Len Munsil.
- 21 And that's signed and notarized by Mr. Brent DeSaye who
- 22 owns the company.
- And then finally you have after that the letter
- 24 written by Mike Harris who is a candidate for governor
- 25 in regard to his concerns in this matter and I think he

- will be here today to speak to the Commission. So you
- should have all those documents.
   The matter before you is actually rather
- 4 straightforward. The question is whether or not the Len
- 5 Munsil Campaign received an illegal contribution from
- 6 the J&G Sales Company in the form of this advertisement
- 7 that appeared in this catalog. As you know,
- 8 corporations are prohibited from donating to
- 9 participating candidates and, in fact, that's the
- 10 allegation in the case here.
- 11 The key question for the Commission to decide
- 12 is whether or not there was coordination between J&G and
- 13 the Munsil Campaign. Because if there was coordination,
- 14 that becomes a contribution and loses its status as an
- 15 independent expenditure. Independent expenditures
- 16 trigger separate provisions and concerns that aren't
- 17 here before you here today. But eventually, what that
- 18 means is, if, in fact, it an independent expenditure it
- 19 may trigger matching funds for the other participating
- 20 candidates. In this case, that will be the Goldwater
- 21 Campaign once they qualify for public funding. But
- 22 before you today is simply the question of whether or
- 23 not this was a coordinated communication.
- Based on the -- I've reviewed -- of course,
- reviewed everything with care and talked with interested

# Page 12

- there any member of the public that wishes to speak to
- 2 this matter? Sir, if you will come forward. You can
- 3 take the chair there.
  - MR. HARRIS: Thank you.
- 5 CHAIRPERSON BUSCHING: State your name and be
  - advised that you have 10 minutes.
  - MR. HARRIS: Good morning. My name is Mike
- 8 Harris. I'm a Republican candidate for governor. Thank
- 9 you, Commissioners and Mr. Director, for allowing me the
- 10 opportunity to address these very, very serious charges
- 11 here
- 12 I just listened to Director Lang's statement
- 13 and I have several issues with it. If I've not seen a
- 14 coordinated piece of literature, this is it. There's no
- 15 mistaking this. This is a political ad placed in a gun
- 16 catalog, which is a sales catalog. It -- clearly it is
- a solicitation for volunteers, it's a solicitation for
- 18 money, it's a solicitation for political support. It
- 19 very clearly says this.
- 20 If you go back to Mr. DeSaye's comments in his
- 21 response to the Secretary of State -- which, by the way,
- 22 is notarized, but that is not a sworn statement taken
- 23 under oath. And I would like to see these people put
- 24 under oath and be questioned appropriately concerning
- this issue as to the issue of coordination.

#### Page 11

- 1 parties on both sides. And based on my review of the
- documents before you and the facts, primarily that we
- 3 have sworn statements from the Munsil Campaign and from
- 4 the catalog owner indicating that there was no
- 5 coordination, I'm satisfied that there was not a
- 6 violation in that sense and the Commission should find
- no reason to believe.
- 8 I say that because to lie -- intentionally lie
- 9 on a notarized statement triggers criminal charges, and
- that gives me the assurance and comfort that the folks
- who did these notarized statements understand what's at
- who did these notarized statements understand what's at
- 12 stake and understand they face much more serious charges
- 13 than matching funds if they prevaricated.
- So, because of that, and because in the past
- 15 the Commission has on occasion in lieu of, you know --
- 16 of course, we have the power to do an investigation,
- 17 that's, of course, if the Commission pleases, I will be
- 18 happy to do that. But in the past we have in lieu of
- 19 depositions and subpoenas, we have taken sworn
- 20 statements. So I am satisfied in this case that there
- 21 was no coordination between the campaigns, so that's why
- 22 I recommended the Commission find no reason to believe.
- 23 CHAIRPERSON BUSCHING: Okay. Any questions of
- 24 Mr. Lang?
- 25 If not, then I'll open it up to the public. Is

### Page 13

- The matching fund issue is really a side issue.
- What is of greater importance in this matter is that Mr.
- 3 Munsil knowingly violated campaign finance laws by
- 4 coordinating it. If you read this piece, Mr. Munsil and
- 5 Mr. DeSaye sat down together to discuss this election
- 6 and topics of importance to the state of Arizona. Now,
- o and topics of importance to the state of Arizona. No
- 7 that -- that itself on face value tells me of
- 8 coordination. But aside from the matching funds issue,
- 9 there's an issue of 45,000 solicitations for funding
- 10 going out on behalf of the Munsil Campaign.
- In addition to which, this occurrence -- this
- 12 event occurred during the seed money stage of Mr.
- 13 Munsil's Campaign. He was not yet a qualified candidate
- 14 for Clean Elections and was in the seed money stage.
- 15 And if we do our calculations correctly, this ad has a
- 16 value of over \$20 -- \$25,000, which clearly puts him
- 17 over the spending limits that he was allowed to do, and
- 18 he needs to amend his finance reports for that period
- because this is an in-kind contribution and it's
- 20 inaccurate.
- 21 In addition to which, as Mr. Lang stated, this
- 22 is a corporate contribution and corporate contributions
- 23 to any campaign are poison. They're not allowed. It's
- and the other reasons,
- 25 I -- I really would like to see a real in-depth

investigation done.

2

23

The Secretary of State's office kind of brushed this thing by; in my opinion, shirked her duty with this one. Because there was one letter from the Secretary of State's office and one response from Mr. DeSaye. No one was ever put under oath and no one was ever asked to produce documents on it. And if you're going to call that an investigation, it's pretty lame.

9 The other issues that I had is, has anyone spoken to the printer? The printer may be able to 10 11 substantiate where the source of the artwork that 12 appeared in this ad was. Because this art has Mr. Munsil's photograph on it and it's digitally identical to his campaign logo and the other materials that he 15

16 You know, they deny that there's any 17 coordination, but the denials which are made that are not under oath are meaningless. I want these people 19 under oath. I want them to have to look at a perjury charge if they decide to lie again. This is a serious 21 matter. And this really is about the integrity of the 22 electorate.

There's a very, very important thing that this 24 ruling either way could do. If Mr. Munsil is found to have violated the law, he may be -- you have a course of

Page 16

I'm really asking this Commission to honor their

mandates and honor their mission statement and please do

the job you've been commissioned by the citizens of

Arizona to do. You know, be thorough and do the work,

please. That's all we're asking here. Just take a look

into this and make sure these findings are not

whitewashed over and there is a thorough investigation.

8 If you look at this and you read it, it's an

9 ad, I'm sorry. And it defies, you know, credence, if

you will. That the Munsil Campaign does not have any

idea that this was going out -- I have my own campaign.

I know what goes out. I'm responsible for what goes

out. If anyone wants my artwork and wants my picture,

14 and is going to write something like this for me, I want

to know what they're going to say and how they're going

to say it. If you're going to make blunders in the

17 election, this is the biggest blunder you could make.

18 They're hiding behind what's called the

19 editorial excuse. This is an ad that appears in a sales

20 catalog. This is not a newspaper. It's not a magazine.

21 It's a sales catalog. The purpose is to sell guns, to

sell gun equipment. If you want to buy an infield

mounting scope for \$19.95, it's on the same page. This

Page 17

is no different than Sharper Image.

25 But that's really it. That's my point. I want

Page 15

action to remove him from the ballot. This needs to be

2 done speedily and quickly because time is of the

3 essence. Because if Mr. Munsil would win the primary

and has to be removed after the primary occurs, then

there is -- there's no procedure in the state's statutes

which allows for the replacement of Mr. Munsil for

un-voluntary removal. So if he dies, there a procedure.

If he voluntarily removes himself, there's a procedure.

9 But for an un-voluntary removal, there is no procedure 10 defined by statute.

11 So I'd like to get this thing looked at and

12 investigated very thoroughly and very rapidly, because

13 time is of the essence; September 12th is the primary,

we have less than 60 days. I would like to be sure if

Mr. Munsil is the winner of this, that he doesn't have

to look at removal after the primary or removal from 16

17 office downstream.

18

19

22

I want this to be a clean and honest election and this type of stuff is just indicative of what has been going on with the Munsil Campaign, because we've been having some -- some real troubles within our campaign of burglaries and other things, but I don't

23 want to digress on that.

24 What I'm asking for is to, please, order an 25 investigation because this needs to be a clean election. to be sure that we have a level playing field here. Mr.

Munsil is running as a Clean Election candidate. I am

running as a traditional candidate. I have to raise

money the hard way. I'd like to make sure if he is

taking the state's money, he is doing so legally with no

unfair or undue advantage. Thank you very much.

CHAIRPERSON BUSCHING: Thank you, sir. Do any

of the Commissioners have any questions for Mr. Harris?

9 No? Thank you.

COMMISSIONER KUNASEK: Excuse me. Yes. What's 10

11 the basis for your statement that there was

coordination? 12

13 MR. HARRIS: Well, look at the photo-identical

14 art. Look at the picture on here. Look at the

15 statement that they make here. "Welcome to the

political season. I was thankful for the recent

opportunity to sit down with a candidate for governor,

18 Len Munsil, to find out where he stands on some

19 important topics.

20 "We discussed several gun-related issues that 21 are critical to Arizona shooters and hunters. I was so

happy to learn that Len definitely supports any

23 law-abiding, U.S. citizen in owning firearms and

24

carrying them how and where they choose."

The fact that he sat down and discussed issues

is electionary. And then this comes out. You're going

2 to tell me this is unsolicited? This defies credibility

3 if you believe this is unsolicited. Just because he

4 liked the -- if it was, he damaged the Munsil Campaign

5 severely.

6 But this really needs to be looked at. I mean,

let's find out, because there has been no investigation.

8 The Secretary of State sends one letter, they responded

9 with one letter; let's have a thorough, complete

10 investigation of this. Put the people under oath. Ask

1 Mr. Munsil, ask his campaign staff, ask Mr. DeSaye under

12 oath: What did you do; how did you meet; who went

13 there; what did you talk about; who from your campaign

14 provided the artwork; what did the printer have to say?

5 Let's talk to the printer, find out where he got the

16 artwork from.

Who crafted this piece actually? This piece is

18 very well written. It seems like it's written well

19 enough to be by a political consultant of some kind who

20 has an agenda here he wants to advance within the

21 gun-owning population of the state. And it's just --

22 I'm sorry. I hope I answered your question.

23 COMMISSIONER KUNASEK: Well, you did. But

24 having been in a number of campaigns myself and having

been interviewed by all kinds of interest groups, those

Page 20

Mr. Harris?

2

Thank you.

3 MR. HARRIS: Thank you.

CHAIRPERSON BUSCHING: Anyone else from the

public wishes to speak? Sir.

6 MR. GREENE: Good morning, Commissioners. My

7 name is John Greene. I'd like to thank you for your

8 service before I forget. I know this is not an easy

9 job.

10 I've been a lawyer for 34 years, I've been in

 $1\,1$   $\,$  public service, and I've worked on lots of campaigns,

2 and I studied Title 16.

13 I have tremendous respect for Mr. Lang, but I

14 disagree with his assessment of what the letters in the

5 file really mean. They are not statements under oath.

16 They're signatures that people attested that they signed

 $1\,7$   $\,$  a document. I really think that an investigation needs

18 to be done. Commissioner Kunasek's questions were

9 really good. But I would say that we're not looking at

20 complete certainty here.

21 Mr. Lang's report said that it's been --

there's no proof that there's been coordination. We

23 think that there is more than sufficient probable cause

that there has been a coordination of efforts, whether

25 purposefully or by mistake because it just doesn't make

Page 19

interviews take place and the interest group then

develops a statement of support or opposition to your

3 candidacy.

With regard to the artwork. That could have

been plagiarized from any one of a number of sources,

6 campaign literature they picked up off of a table

7 someplace, letterhead. And so I think that's kind of a

8 loose attempt to create a connection. I -- I don't

9 quite agree with the way you're presenting your position

10 on those two points.

MR. HARRIS: Well, two issues. Number one, J&G

12 II Sales, Inc. is not an interest group, they're a

13 corporation. They're a registered Arizona corporation.

4 They've been in business for a number of years. They're

15 not an interest group. Let's be clear about that. This

16 is corporate.

Number two, if it was plagiarized, let's find

18 out. Let's look into it. Let's find out. You know, if

19 there are people are out there plagiarizing, there

20 should be penalties for that too. But let's find out

21 what the truth is here.

22 COMMISSIONER KUNASEK: Well -- fine. Thank

23 **you.** 

24 MR. HARRIS: Okay.

25 CHAIRPERSON BUSCHING: Any other questions for

any sense.

2

The Arizona Revised Statutes makes it very easy

Page 21

3 to prove that something is not an independent

4 expenditure. And I think that the reason that the

5 legislature did that over the years is because it's very

6 difficult to prove a secret agreement. But if you look

7 at the section that Mr. Lang didn't quote, the (A)

8 through (D) in 901.14, it gives you rules that if they

9 are true, will dictate or deem as a matter of law

10 coordination. And (D) in that line of, let's call them

evidentiary rules even though they're technically not --

12 I know you're a lawyer, Ms. -- Madame Chairman. If you

13 show that, you're deemed to have coordinated.

14 I'm just trying to apply common sense. I was

15 shocked when I saw this campaign piece as a citizen.

16 And in the interest of full disclosure, I am helping Mr.

17 Harris in his campaign. I'm a former candidate myself,

18 and as a matter of fact, one of the qualifying

19 candidates that withdrew.

20 I -- I am very much concerned that this

21 corporation, which made the biggest possible mistake a

22 person in this state can make in the campaign world, and

23 that is have a corporation pay money, because they're

looking at a class six felony and probably going to be

5 guilty of that because it's not an editorial. I can't

believe that they made that mistake on their own. I
 think that they are a pawn in this thing. I think
 someone -- I'm not saying Mr. Munsil did this

personally, but I think someone in his campaign made a huge mistake.

And I think because of the stakes involved, the fact that a class six felony is involved, the fact that

one of the penalties here is disqualification from the ballot, that we can't accept a couple of letters, which

10 I've read and the language is very nicely parsed, by the

way. They don't -- they don't really explain

12 coordination in terms of what the law requires as

13 coordination.

If we accept these letters, I think we're doing
a disservice. I think there's a smoking gun here. I
think the fact that the writer of this piece incredibly

17 admitted in the piece that he sat down with the

 $1\,8$   $\,$  candidate and discussed the issues, the various issues

19 that showed up in this campaign piece. That's 95

20 percent of what you need under 901.14(D) to show

21  $\,$  coordination. The only other thing that was missing was

done with a view towards having this piece done.

So we're not here saying that coordination actually, absolutely happened. We're here saying this

is such a serious matter and there is so much

Page 24

MR. MADDOX: My name is David Maddox. Mr. Lang and I spoke yesterday. I'm an attorney for the Len

3 Munsil Campaign. I just wanted to make a couple points

4 in light of what has been said today.

First, the campaign's position is obviously

6 different in two respects. The first being we don't

7 believe that this ad, or editorial, or commentary, or

8 whatever you choose to call it, is, in fact, an

9 expenditure under 16-901.8(A). We believe clearly that

10 commentaries are editorials in any kind of periodical

1 publications. It's like what was just explained by the

12 Commissioner. I mean, you sit down with these people,

13 they want to write something, they can write something.

 $1\,4\,$  As long as there's no coordination or intent, there's

15 nothing wrong with it.

In this instance, it's not an expenditure
specifically by the statute. We believe the first

 $1\,8$   $\,$  amendment and the statute itself says that what occurred

19 here was not an expenditure and it was not in any way an20 illegal activity.

21 I will say also that Mr. Lang talked to me as a

representative of the campaign and I'm confident thatsomebody talked to Mr. DeSaye, and it was very clear

when what was filed by Mr. Munsil, was filed and it was

under oath and he was subject to penalties of perjury.

Page 23

undeniable, undisputed evidence already that hasn't even

been gathered as a result of an investigation, pointing

3 to coordination, that it is incumbent upon this

4 Commission, which has proven in the past to take the

5 tough decision and to do things that create a lot of

6 controversy, I think the Commission should do an

investigation, put people under oath. I would love to

8 talk to the people at J&G Gun Sales and ask them what --

9 what possessed them to make this obvious illegal 10 expenditure.

And I think we'll find out a lot. At any rate,

12 thank you. I hope I've made some sense at all. All

3 we're asking for is an investigation. I don't think

that we can rely -- and I would ask you to look at the

letters Mr. Lang cited. I don't think we can rely onthose as explaining what I see as a smoking gun.

17 CHAIRPERSON BUSCHING: Thank you.

MR. GREENE: I'll be happy to answer any questions.

20 CHAIRPERSON BUSCHING: Do any of the

21 Commissioners have any questions of Mr. Greene? If not,

22 thank you, sir.

MR. GREENE: Thank you very much.

24 CHAIRPERSON BUSCHING: Anyone else from the

25 public wish to speak? Sir.

Page 25

I'm sure that was made clear to Mr. DeSaye also. And

2 you will note in the letter that he filed as well, it

3 doesn't just say subscribed but sworn or affirmed

4 before. I think he clearly understood that the

statements he made were subject to the penalties of

perjury if they were not true.

On the issue of coordination, if you actually

get to that point, responding just to some of the things

9 that had been said, Mr. DeSaye explains where the

10 heading came from. He says in his letter that he did

11 this without Munsil's knowledge or cooperation by going

12 to the Website and simply copying it. So we know where

13 it came from, we know what he did. His comments are

14 very straightforward, there was no coordination. He

15 didn't ask permission to write it. The graphics weren't

16 given. There's no input. There was no decision to

17 input on the content. Mr. DeSaye did it all himself.

 $1\,8$   $\,$  And, accordingly, what the campaign looks at is

19 not much more than I picked up the Arizona Republic
20 today and there were some things on the editorial page

that I didn't like and that's because of my particular

22 political persuasion, but they have the absolute right

23 to do that.

2 4 The legislature when it passed this statute, it

25 is our position they fairly set some exceptions. And

- 1 the issue here that's really important is the First
- 2 Amendment issue that any candidate, not Mr. Munsil, take
- 3 Mr. Munsil and set him aside, any candidate have the
- 4 right to be protected as people express their own
- 5 opinions. And they express them in regular publications
- of some nature. This is not a newspaper, but it doesn't
- 7 have to be. It says "other periodic publications" under
- 8 the statute.
- 9 And in this instance, the Munsil Campaign feels
- 10 strongly that everyone should have those protections.
- 11 They're clearly First Amendment protections and also
- 12 protections under the statute.
- So there was no coordination and we don't
- 14 believe there was any violation and that the complaint
- 15 should be dismissed so the Commission can get on to much
- 16 more serious matters which I know you are going to have.
- 17 And I'm perfectly willing to answer any questions anyone
- 18 might have.
- 19 By the way, hello, Mr. Lang. I've never met
- 20 you.

2

- 21 MR. LANG: Good to meet you.
- 22 CHAIRPERSON BUSCHING: Any questions by members
- 23 of the Commission? If not --
- 24 MR. MADDOX: If not, thank you. And I thank
- 25 you for your service. I know this is difficult.

# Page 28

- 1 does not fit the newspaper exception. And with that I
- 2 disagree with Mr. Maddox on that one point. I do think
- 3 this is an expressed advocacy. But, ultimately, as you
- 4 see, I conclude there is no coordination.
- 5 But Mr. Greene did get to the heart of the
- 6 matter. If there is coordination, I think he's right
- 7 that 16-901.14(D) is where you're going to find the hit.
- 8 And what that says is, it's not an independent
- expenditure if: "The expenditure is based on
- 10 information about the candidate's plans, projects, or
- 11 needs, or those of his campaign committee provided to
- 12 the expending person by the candidate, or candidate
- 13 agent, or office member, or employee by the campaign
- 14 with a view towards having the expenditure made."
- What that means is -- what I should say is,
- 16 what that doesn't mean is, if a candidate meets with an
- 17 interest group, whether it's Planned Parenthood or
- 18 Arizona Citizens for Life or -- or a gun catalog dealer,
- 9 what that doesn't mean is, if they talk about the
- 20 issues, that that's coordination or planning. What it
- 21 means is, if Len Munsil's Campaign came to this gun
- 22 catalog and said, hey, I -- I want to protect the Second
- 23 Amendment, I agree with you on the issues, I need you to
  - 4 run an ad, I need you to reach out to the gun owners for
- 25 us, then that would be coordination.

# Page 27

- 1 CHAIRPERSON BUSCHING: Thank you, sir.
  - MR. MADDOX: You're going to do a lot of this
- 3 over the next couple months.
- 4 COMMISSIONER KUNASEK: Oh, God.
- 5 MR. LANG: I definitely agree with that.
- 6 CHAIRPERSON BUSCHING: Is there anyone else
- 7 from the public that wishes to speak to this matter?
- 8 MR. HARRIS: Can I clarify a couple things?
- 9 CHAIRPERSON BUSCHING: If there's no one else
- that wishes to speak, yes, Mr. Harris, I'll let you.
- 11 Well, Mr. Lang, do you want to talk first and
- 12 then let Mr. Harris rebut?
- 13 MR. LANG: No, that's fine.
- 14 MR. HARRIS: Go ahead. Let him go first. He
- 15 might give me something good.
- 16 CHAIRPERSON BUSCHING: You might rebut him.
- MR. LANG: Madame Chair, thank you,
- 18 Commissioners. I just wanted to agree with Mr. Harris
- 19 in part and disagree with Mr. Maddox in part. But you
- 20 will see my point. I agree with Mr. Harris on two
- 21 points. One is this is clearly expressed advocacy. I
- 22 think it is clearly an advertisement, so I agree with
- 23 him there. I also agree with him at least
- 24 preliminarily, and we'll have to ask our counsel down
- 25 the road for legal advice, but my initial take is this

# Page 29

- But in this case -- but in this case, we don't
- 2 have that sort of information. And, more importantly,
- 3 what we do have are these sworn notarized statements
- from both saying that no such coordination took place.
- 5 And we have researched the issue. Those sworn
- 6 statements are subject to perjury charges, they are
- 7 subject to criminal sanctions. So I don't share their
- 8 concern that they're lying in these -- in these letters.
- 9 So, I'm comfortable with that.
- So with that, I just want to clarify those
- 11 points for you.
- 12 CHAIRPERSON BUSCHING: Okay. Mr. Harris, five
- 13 minutes.
- MR. HARRIS: Yes. Thank you. Mr. Lang made a
- 15 very succinct case for why we should have an
- 16 investigation. His statements are accurate. Let's --
- let's get to the bottom of this. Let's put these people
- 18 under oath and ask them the difficult questions that are
- 19 addressed by Mr. Fox in his complaint to the Clean
- 20 Elections Commission. Those questions have not been
- 21 answered.
- These are very terse, very guarded statements
- 23 both by Mr. DeSaye and by Mr. Munsil's Campaign, and I
- 24 would like to see these people put under oath and
- deposed because we need to know the truth on this. We

Page 33

Page 30

- 1 really do. This is important. It's important to the
- 2 citizens that are the electorate of Arizona. We deserve
- 3 the highest standards of integrity in this election.
- 4 Thank you very much.
- 5 CHAIRPERSON BUSCHING: Thank you. Any last
- 6 questions for Mr. Harris? If not, we'll turn to the
- 7 Commissioners and any questions they have or any
- 8 discussions they want to do before I entertain a motion.
- 9 COMMISSIONER PARKER: I have a question. This
- 10 is Royann Parker. I don't have my ARS book up here with
- 11 me. What is the definition of an independent
- 12 expenditure?
- 13 CHAIRPERSON BUSCHING: Mr. Lang?
- 14 MR. LANG: Madame Chair, Commissioners,
- 15 independent expenditure is defined at the section Mr.
- 16 Greene eluded to, 16-901 part 14. And what it says is:
- 17 Independent expenditure means an expenditure by a person
- 18 or committee other than a campaign committee that
- 19 expressly advocates the election or defeat of a clearly
- 20 identified campaign or candidates that is made without
- 21 coordination or consultation with any candidate, or
- 22 committee, or agent of the candidate, that is not made
- 23 in concert or at the request or suggestion of a
- 24 candidate or any committee or agent of the candidate.
- 25 COMMISSIONER PARKER: Okay.

- 1 can focus on to determine coordination? Or is
- 2 coordination just determined by the negative of whether
  - 3 it's an independent expenditure?
  - MR. LANG: Madame Chair, as far as I know,
- 5 that's where you would look. It's defined in the
- 6 negative.
- 7 CHAIRPERSON BUSCHING: Okay. Ms. Varela, are
- 8 you in agreement?
- 9 MS. VARELA: Yes. As far as I know, that's
- 10 where the Commission would look.
- 11 CHAIRPERSON BUSCHING: So, it's really -- so
- 12 under those circumstances, it's an either/or. It's
- 13 either an independent expenditure or coordinated
- 14 expenditure and the Commission has to decide which of
- 15 those two it is?
- MR. LANG: Assuming it's expressed advocacy and
- 17 political speech, then, yes. Or it could be an
- 8 independent expenditure that's not coordinated but still
- 19 be an exception; for instance, the newspaper and all the
- 20 other issues we discussed. But, if it's expressed
- 21 advocacy and it's coordinated, then it's not an
- 22 independent expenditure, it's a donation.
- 23 COMMISSIONER PARKER: Mr. Lang, do we know if
- 24 in this company in their catalog they send out on a
- 25 regular basis, do they often have editorial comments or
  - have we seen previous issues to see if, you know, does
- 2 he have an ongoing dialogue with his customers?
- 3 COMMISSIONER KUNASEK: And if I could, if I
- 4 could -- this is Karl. Royann, could I piggyback on
- 5 your question?
- 6 Obviously, candidates have been interviewed by
- 7 the National Rifle Association. Have they ever carried
- 8 a similar ad or editorial, whatever we want to
- 9 characterize it for candidates other than Mr. Munsil,
- 10 for example, federal candidates?
- 11 Although that would not trigger State of
- 12 Arizona Clean Elections Commission, but I think it would
- 13 indicate if this was a one time only or if has been done
- 14 in other elections.
- 15 MR. LANG: Madame Chair and Commissioners, we
- 16 did -- I did not -- the staff did not look into that
- 17 issue. We decided this issue on the documents we had
- 18 and on the merits of the arguments raised by Mr. Harris
- 9 and others, and we didn't look at that issue. We
- 20 certainly can though.
  - COMMISSIONER PARKER: Madame Chair, this is
- 22 Commissioner Jolley.
- 23 CHAIRPERSON BUSCHING: Go forward -- go ahead.
  - COMMISSIONER JOLLEY: I have a question for
- 25 Todd.

21

24

Page 31

MR. LANG: It goes on -- but that's the

- 2 relevant part of the definition. There's a number of
- 3 exclusions and Mr. Greene and I discussed the most
- 4 relevant exclusion in this case.
- 5 COMMISSIONER PARKER: So then would that mean
- 6 that any other business that decided to interview them
- and make a similar thing, would be also an independent
- 8 expenditure in your view?
- 9 MR. LANG: In many cases. There are
- 0 exceptions, and the one that's talked about today is the
- 11 newspaper exception. And there are a number of other
- 12 exceptions. One of the key exceptions not relevant
- 13 today, but that is related, is that companies can send
- 14 messages to their shareholders and their employees and
- 15 that sort of thing, and that's accepted. Groups --
- 16 membership groups can send letters to their members, and
- 17 that's accepted. So, there's a number of exceptions
- 18 that don't trigger independent expenditure provisions.
- 19 But in my view, those don't apply here today.
- 20 The other point I'd make is that, if it's an
- 21 independent expenditure or not is a secondary question
- 22 we don't need to decide today. The issue today is
- 23 whether there was coordination.
- 24 CHAIRPERSON BUSCHING: And Mr. Lang, other than
- 25 the 16-901.14, is there any place that the Commissioners

	Page 34		Page 36
1	Todd, J&G Sales has solicited subscribers.	1	basically plagiarized the logo from the Website, I was
2	Doesn't that put them in a certain type of category	2	convinced that the sworn statements were there, and
3	because it's not a mass mailing?	3	accurate, and I would believe them.
4	MR. LANG: Madame Chair, Commissioner Jolley,	4	And unless there was other evidence that came
5	the definition of the newspaper exception includes	5	to the forefront by someone, I think that we can't go
6	subscribers. And if we decided to proceed and determine	6	looking for a problem if none exists. And we don't have
7	that this was something we need to do, that's something	7	any evidence that it exists based upon sworn statements.
8	we can look at. I believe though that based on the	8	And, so, I'm in agreement with the Executive Director's

14	I know that the federal government we often	14	find no reason to believe in this case.
15	look to the federal regulations for guidance and I know	15	CHAIRPERSON BUSCHING: Is there a second?
16	their newspaper exceptions are rather narrow. For	16	COMMISSIONER PARKER: I'll second.
17	precisely the concerned corporations could print	17	CHAIRPERSON BUSCHING: It's been moved by

18	I agree with you, Commissioner Kunasek. I		shows violations on the third page regarding our

20	was inclined not to agree with the Executive Director,		response letter basically saying she corrected the
21	but after I received the sworn letter from J&G Sales	21 22	problem and some follow-up letters.
22	yesterday afternoon and saw in there that, in fact, J&G		And then you have on the side unfortunately,
23	Sales, Mr. Brent DeSaye did swear and affirm that he	23	those of you on the phone, which is the majority of the

24 Commission, don't have this. It's the revised January

25 31st report. It's not necessary for your consideration,

24 solely developed this editorial independent of the

25 corporation or the political committee and that he

1 it's just there to show that, in fact, yes, she

2 corrected her campaign finance report.

What this case is about is actually a violation did occur. Ms. Chase accepted contributions from PACs

and also accepted contributions over the limit for her

6 constituent communication account. We're talking about

five -- five or so contributions. She explained when we

8 brought it to her attention several months ago, she

9 explained that this occurred simply because of an error,

10 she just put them in the wrong account. Be that as it

11 may, we asked her to correct the problem and refund the

12 money and she did do that.

Unfortunately, the Website on the Secretary of State's Website, while it features the original report

which is the January 30 -- 31st report and the June 30th

16 report, it doesn't put up -- their software doesn't

enable them to put up the revised reports. And they've

18 assured me they're working on that for the next election

19 cycle.

20 So this complaint was filed, I think, primarily

21  $\,$  because the person who filed the complaint wasn't aware

2 that the problem had been remedied. So there you have

23 it. It's a rather straightforward issue. She accepted

24 PAC money and too much money from a couple of donors.

25 She corrected the problem, she returned the funds, and

Page 40

1 accurate report, you have to go to the Secretary of

2 State's office?

9

14

19

3 MR. LANG: Madame Chair, that's my

understanding. We have -- Clean Elections, the

5 Commission has access to the new reports through the

6 software, but the public is required to go to the

7 Secretary of State's office. If I'm incorrect, I'd love

8 to be corrected, but that's my understanding.

COMMISSIONER KUNASEK: This is a very good

10 point that I was not aware of. You would think that the

11 revised report would be available on the Website as well

12 as the original report.

13 MR. LANG: They're working on that.

CHAIRPERSON BUSCHING: And I find it very

unfortunate, because the Secretary of State has had the

16 time to revise her entire Website in many, many

17 respects, and yet this particular one --

18 COMMISSIONER KUNASEK: This one.

CHAIRPERSON BUSCHING: -- has been falling

20 through the cracks since even before our last election

21 when she promised it before this election. So, I can

22 remember discussion last August where she, in fact, went

23 through her people and wrote and said we'll have it done

24 before the next election and it's not done.

MR. LANG: Joe and Kevin have given me their

Page 41

Page 39

that's shown in the revised report.

2 And so for that reason, although there was

3 technically a violation, I recommend that the Commission

4 find no reason to believe.

5 CHAIRPERSON BUSCHING: Commissioner Kunasek?

6 COMMISSIONER KUNASEK: Was the revised report

filed before the complaint was filed?
 MR. LANG: Madame Chair, Commissioner Kunasek,

9 that is my understanding.

10 COMMISSIONER KUNASEK: So had then -- had then

11 the complainant reviewed the revised report, we assume

12 they would not have filed the complaint?

MR. LANG: They may still have because she did

14 technically violate the law. But she says -- according

15 to her signed, sworn statement, she says she revised it

16 on April 7th.

17 COMMISSIONER KUNASEK: When was the complaint

18 filed?

25

MR. LANG: The complaint was filed much more

20 recently. June 9th. June 9th. So I think if that

21 gentleman just looked at the proper report, which I

22 don't blame him, he went to the Website, and I think

23 it's reasonable to believe the report will be accurate.

24 COMMISSIONER KUNASEK: Thank you.

CHAIRPERSON BUSCHING: And in order to find the

1 word. I'm confident.

2 CHAIRPERSON BUSCHING: Okay. Any other

3 questions of Mr. Lang?

If not, the Chair will entertain a

5 motion.

9

14

6 COMMISSIONER JOLLEY: Commission -- Chairperson

7 Busching, this is Commissioner Jolley.

8 CHAIRPERSON BUSCHING: Go ahead.

COMMISSIONER JOLLEY: In the matter of MUR No.

10 06-0003, I will move that we accept the Executive

11 Director's recommendation that the Commission dismiss

12 the matter under review for Cheryl Chase, State

13 Representative District 8.

COMMISSIONER KUNASEK: I will second that.

15 CHAIRPERSON BUSCHING: It's been moved by

6 Commissioner Jolley and seconded by Commissioner Kunasek

7 that we accept the Executive Director's recommendation

18 and dismiss the complaint in MUR 06-0003, Cheryl Chase.

19 All in favor say, "aye."

20 (Chorus of ayes.)

21 CHAIRPERSON BUSCHING: All opposed, nay? Chair

22 votes aye. Motion carries.

23 Commissioner Kunasek -- Commissioner

24 Scaramazzo, are you there?

COMMISSIONER SCARAMAZZO: I'm still here. I

voted "aye." CHAIRPERSON BUSCHING: Okay. Thank you.

2

3 The next item on the agenda is Item VII,

4 consideration and possible -- oh, no. Item VI,

discussion and possible action on proposed payment

agreement MUR 04-0043, Peggy Toomey Hammann. Mr. Lang?

MR. LANG: Madame Chair, the Assistant AG,

8 Diana Varela, will be presenting this matter.

MS. VARELA: Madame Chair and Commissioners,

10 this agreement we have brought to the Commission for its

11 consideration. My understanding from staff was that Ms.

12 Hammann has requested that there be a payment agreement.

She is unable to satisfy the entire amount of the final 1.3

order and it is at her request that the Commission enter

15 into a payment agreement with her. So we are bringing

16 it to your -- to your attention for your consideration

17 and action.

9

18 COMMISSIONER SCARAMAZZO: Madame Chair?

19 CHAIRPERSON BUSCHING: Commissioner Scaramazzo.

20 COMMISSIONER SCARAMAZZO: Yes. I just -- I'd

21 like to know a little bit more about the discussions

that took place. We had a payment agreement established

at one time during this case, and Ms. Toomey failed to

24 -- or Ms. Hammann failed to meet the obligations of that

25 payment schedule.

7

8

13

14

Page 44

COMMISSIONER KUNASEK: Ms. Varela, the recourse

2 -- one of the recourses would be a civil lawsuit to

recover?

9

MS. VARELA: Right. And we've -- in the

Attorney General's office we have a bankruptcy and

collection section that works with us. They actually 6

are the ones who would do it. But, yeah, there's some

8 sort of civil action that we could take.

COMMISSIONER KUNASEK: Is there anything in

10 either the Clean Elections statute or any other statute

that would say: If you fail -- if you don't enter the

agreement, of course, we're back to square one -- but

then if you fail to pay up, you're not eligible to run

14 for office again?

15 Kind of similar to the -- the impeachment

16 statute, which says that if you are impeached, you're

17 not eligible to run for office again.

18 MS. VARELA: Right.

COMMISSIONER KUNASEK: Is there anything like

20 that?

19

21

2

7

9

We're trying to clean up and enforce Clean

22 Elections, perhaps some real teeth would say, if you

23 don't come clean and pay up, you can't run again.

24 MS. VARELA: Right. There is -- no.

25 COMMISSIONER KUNASEK: Might take a

Page 43

What guarantees do we have in place that she 2 will follow through this time?

3 MS. VARELA: Commissioner -- Madame Chair. 4 Commissioner Scaramazzo, I actually did not have those

communications with her. My understanding is that she

6 was unable to pay the entire amount of the final order

which is about \$2,800, and it was at her request that we did this.

9 I -- I am aware of the situation that you're

10 talking about before. And my recollection actually is

11 that that agreement wasn't even in place because she

12 failed to sign that agreement.

> In this agreement, there's a provision that she needs to -- if she's serious about this, and if the

15 Commission is inclined to enter into it, she needs to

sign it, execute it, and get it back to the Commission 16

17 no later than July 31st of this -- at the end of this

18 month; otherwise, we just go back to the final order.

19 With respect to whether or not she's going to follow through, I can't speak to that. But I -- but I

21 think that this agreement would cover that and we can

22 still take action against her pursuant to this

agreement. Assuming she signs it and gets it back to us

constitutional amendment.

MS. VARELA: There's definitely not anything in

3 Clean Elections Act itself.

COMMISSIONER KUNASEK: That says that?

5 MS. VARELA: That says that.

6 COMMISSIONER KUNASEK: Thank you.

MS. VARELA: Uh-huh.

8 COMMISSIONER JOLLEY: Chairperson Busching?

CHAIRPERSON BUSCHING: Commissioner Jolley.

10 COMMISSIONER JOLLEY: Yes, I have a question

11 for Assistant Attorney General Diana Varela. I believe

that the first settlement was that she -- that Ms. Peggy 12

Hammann was to pay within three months the payment in

14 full. And I noticed on this agreement regarding

15 payment, it has now been stretched over a 12-month

16 period; is that correct?

17 MS. VARELA: That is correct with respect to

this agreement, that it's over 12 months. With respect

to the first agreement, I don't remember exactly but I

do agree with you that it was shorter than -- than 12

21 months. I'm not remembering the specific date. We

never actually had that agreement, she didn't sign it.

23 COMMISSIONER JOLLEY: Okay.

MS. VARELA: No, what Commissioner Scaramazzo

25 was talking about is we had tried to enter into a

24

- settlement agreement and the Commission at that time was
- 2 willing to do that, but she never executed the
- agreement. 3
- COMMISSIONER JOLLEY: Okay.
- 5 MS. VARELA: But that was the -- that was the
- 6 terms of the agreement to my recollection.
  - COMMISSIONER JOLLEY: Okay. Thank you.
- 8 CHAIRPERSON BUSCHING: Mr. Lang?
- 9 MR. LANG: Thank you, Madame Chair,
- Commissioners. I just wanted to point out that staff 10
- came up with these terms based on the conversations with
- 12 her and based on her representations as to her financial
- situation. She has been difficult to work with on many 1.3
- 14 occasions, but we have no reason to doubt her on this
- particular issue, that is her ability to pay. So this
- 16 seemed like a proper way to go.
- 17 I can assure all the Commissioners though that
- if for any reason this agreement is either not signed by
- her or not fulfilled by her, we won't be back for
- 20 another settlement. So this is it.
- 21 MS. VARELA: And just so it's absolutely clear,
- if she doesn't sign it, the Commission goes back to the
- 23 final order. If it gets signed and executed and she
- misses a payment, then we proceed under the terms of the
- settlement agreement.

- agreement in the Peggy Toomey Hammann situation.
- 2 CHAIRPERSON BUSCHING: Is there a second?
- 3 COMMISSIONER PARKER: I'll second.
  - CHAIRPERSON BUSCHING: It's been moved by
- Commissioner Kunasek and seconded by Commissioner Parker
- that we accept the proposed agreement regarding payment 6
- in the Peggy Toomey Hammann matter, MUR 04-0043.
- 8 All in favor say, "aye."
- 9 (Chorus of ayes.)
- 10 COMMISSIONER SCARAMAZZO: Aye barely.
  - CHAIRPERSON BUSCHING: Opposed, nay? Chair
- 12 votes aye. Motion carries.
- 13 I understand your frustration, Mr.
- 14 Scaramazzo.
- 15 Then we will move to Item VII, consideration
- 16 and possible action of Ben Miranda's request for
- 17 exemption from participation in primary election debate
- for State Representative District 16. Mr. Lang?
  - MR. LANG: Thank you, Madame Chair,
- 20 Commissioners. Sad to note that Representative
- 21 Miranda's brother died on July 4th. He wrote us and
- faxed us a letter on July 10th asking to be excused from
- the debate on July 11th because the funeral was
- scheduled for just -- during the debate actually, 5:00
- to 7:00 p.m.

Page 47

motion?

- 3 COMMISSIONER KUNASEK: Are you ready for a 4
- 5 CHAIRPERSON BUSCHING: I am.
- 6 COMMISSIONER PARKER: I have one last question.
- CHAIRPERSON BUSCHING: Commissioner Parker?
- COMMISSIONER PARKER: I notice her address is
- at a Democratic Party Headquarters. Does she not have a 9
- residence we would send this to?
- 11 MS. VARELA: Madame Chair, Commissioner Parker,
- 12 that is the address that she has asked us to send any
- sort of documents to. That's one of the difficulties
- that staff has had with her going back many, many
- months. And when we had the hearing in -- at the Office
- of Administrative Hearings, we specifically asked her on
- record which address she wanted us to use and that was 17
- 18 it.
- 19 So, until she tells us otherwise, that's the
- address that she has provided to us. And as far as
- 2.1 where she's living, I don't know.
- 22 COMMISSIONER PARKER: Okay.
- 23 CHAIRPERSON BUSCHING: Commissioner Kunasek?
- 24 COMMISSIONER KUNASEK: Madame Chair, I would
- 25 move Item No. VI to accept the proposed payment

- Page 49
- We told him that we did not expect him to be at
- the debate, but the Commission ultimately had to approve
- 3 it. Our rules are at 107. And, normally, our rules
- require that a written request occur at least a week
- prior to the debate. But given the circumstances and
- the late timing of the -- of the actual funeral, I would
- recommend to the Commission that we accept his letter
- and excuse -- that the Commission excuse him from the
- 9 debate which has already occurred.
- 10 COMMISSIONER KUNASEK: So moved. If you're
- 11 ready for a motion.
- 12 CHAIRPERSON BUSCHING: Uh-huh. Is there a
- 13 second?
- 14 COMMISSIONER SCARAMAZZO: Second.
- 15 CHAIRPERSON BUSCHING: It's been moved by
- 16 Commissioner Kunasek and seconded by Commissioner
- Scaramazzo that the Commission exempt Candidate Miranda
- from participating in a debate for the primary election. 18
- 19 All in favor say, "aye."
- 20 (Chorus of ayes.)
- 21 CHAIRPERSON BUSCHING: Opposed, nay? Chair
- 22 votes aye. Motion carries.
- 23 We'll move to Item VIII, legal report by
  - Assistant Attorney General Diana Varela. Update on the
- following matters: One, Rick Murphy, MUR 04-0079; two,

David Burnell Smith, MUR 04-0023.

2 MS. VARELA: Madame Chair, Commissioners, thank

- 3 you. On the Rick Murphy matter, as you will recall, the
- Commission issued an order -- I believe at one of its
- meetings in May -- finding probable cause to believe
- that there was a violation by Mr. Murphy. He has
- requested a hearing and that has been scheduled. And to
- 8 my understanding, he has not requested an informal
- settlement conference so we will be proceeding with the
- hearing. It is scheduled for Wednesday, August 23rd at
- 1:30. That's kind of all there is to report on that one
- 12 unless anyone has any questions.
- 13 COMMISSIONER PARKER: Where do the hearings
- 14 take place?
- 15 MS. VARELA: They're at the Office of
- 16 Administrative Hearing. It's right on the corner --
- right across from our office, 15th Avenue and
- Washington.
- 19 COMMISSIONER PARKER: Thank you.
- 20 MS. VARELA: Uh-huh. And with respect to the
- 21 second matter, David Burnell Smith. Mr. Smith filed a
- Motion to Set Aside the Court's Order of December 7th,
- 2005, and I have a copy of the pleading if anyone wants
- 24 a hard copy of that. I, obviously, will be responding
- 25 to that.

Page 52

- decision does not effect the Arizona Clean Elections
- 2 statutes?
- MS. VARELA: Well, it didn't -- I mean, it will
- remain to be seen if people bring challenges to the
- Clean Elections system based on this, just based on this
- recent decision. But the facts of the case are, I
- think, different.

9

- COMMISSIONER KUNASEK: Okay. 8
  - CHAIRPERSON BUSCHING: And, Ms. Varela, with
- respect to Mr. Smith's filing, are there timelines for
- responding and having this matter heard? And what do
- 12 you perceive as --
- 13 MS. VARELA: Well, his -- he -- there's only
- 14 one reference to a rule in his pleading. He references
- Rule 60 of the Arizona Rules of Civil Procedure. Rule
- 60(C) provides the grounds for a motion to set aside a
- judgment and there are a number of different reasons
- that someone could bring a Rule 60 motion. There are
- six, in fact. 19
- 20 If you bring it under Rule 60(C)(1), (2), and
- (3), you should have done it within six months. The 21
- other ones are a reasonable amount of time. It's
- unclear -- he didn't specify which one he is bringing it
- 24 under, so, you know, we'll make the appropriate
- argument. I don't think it falls under (1), (2) or (3).

Page 51

Page 53

- The gist of his argument is that a recent
- decision by the U.S. Supreme Court provides a basis for
- 3 setting aside the Superior Court's order that was issued
- in December of 2005. Obviously, we don't agree with
- that and will be filing our papers shortly. The case
- that he is relying on is a case called Randall versus 7 Sorrell that was issued June 26th, just a few weeks ago.
- 8 And it is a case -- it is a case dealing with
- 9 the campaign finance -- or campaign finance statutes in
- Vermont. The court struck down both the expenditure
- limits -- and this is a very, very simplified summary --
- but struck down both the expenditure limits and the 12
- contribution limits that were set forth in Vermont's
- 14
- 15 A significant difference between the facts of
- 16 that case and what the Commission is concerned with is
- that it did not -- the Court was not looking at a public
- financing scheme for candidates. It was looking at just 18
- general campaign finance statutes. And I -- also I only
- brought one copy because it's fairly lengthy, but if the
- two commissioners who are here would like a copy, I can
- 22 ask staff to make a copy.
- 23 And that concludes my report unless anyone has
- 24 any questions.

25

COMMISSIONER KUNASEK: So, the Supreme Court

- It's like excusable neglect, mistake -- I'm not
- remembering off the top of my head. But just reading
- 3 the terms of the rule, they seem completely not at all
- appropriate to the pleading that he's brought. But
- we'll make the appropriate arguments, you know, based on
- that rule. But the rest of the reasons, it just says a
- reasonable time
- CHAIRPERSON BUSCHING: And he's filed this back
- 9 in the Superior Court as opposed to the Arizona Supreme
- 10 Court?
- 11 MS. VARELA: That's right.
- 12 CHAIRPERSON BUSCHING: Okay. All right. Well,
- 13 this continues to be interesting.
- 14 MS. VARELA: Yes.
- 15 CHAIRPERSON BUSCHING: Appreciate the update on
- 16 that.
- 17 MS. VARELA: You're welcome. Thank you.
- 18 CHAIRPERSON BUSCHING: Any other questions of
- 19 Ms. Varela?
- 20 If not, we'll go to Item IX, discussion and
- 21 consideration of personnel matter, re-open and complete
- 22 performance assessment and six-month review of the
- 23 Executive Director to discuss salary and Executive
- Director's staff personnel issues. The Commission may
- vote to discuss this matter in executive session
